10. Monthly Remuneration received by each of its officers and employees including system of compensation as provided on its regulations: Section-4.1(b) (x)

Baripada Municipality has implemented the Human Resource Management System (HRMS). HRMS is the repository of all the service records of the employees of Baripada Municipality; through HRMS, an employee can apply for leave, loan, or send their reports, requests or grievances. They can receive the sanction or reply online from their office. HRMS software automatically prepares all accounts and registers of an employee, like Service Book, Leave Account, Loan Account, Salary Account, Incumbency Chart etc., retrieving relevant data from transactions. It also helps the superannuating employees to prepare their pension papers on the click of buttons and help authorities to process pension papers easily and quickly. Past transactions are captured as legacy data and incorporated into the database, and subsequent transactions are recorded in real time. The Service Book of each employee is the most complete repository of such transactions. Hence, service data of each employee from the service book is the backbone of HRMS database.

Welcome to Odisha Right to Public Services Act

Odisha Right to Public Services Act, 2012 in Odisha is an exemplary initiative by the State Government to check corruption in public service delivery. The law enables the citizens to demand public services as a right and also includes a provision for penal action against officials failing to provide the services within the stipulated time.

The idea is to generate a demand for services, and to provide citizens with a platform for getting their grievances redressed in a time bound manner.
