## Theme of the Newsletter

Message from chairperson of the Baripada Municipality:

**Smt. Babita Das**

Chairperson

Baripada Municipality has taken a step forward in the glory of its success to launch its own IT automation system for the service of the People. Municipality is taking all necessary steps to provide the services through most efficient model including the new e-Governance system. Baripada Municipality website will provide all citizen centric services.

This website will provide information on various activities undertaken by Baripada Municipal council for the well being of the People of Baripada. Citizen are requested to give their valuable suggestions and complains for enhancement of the Municipal services using our "Grievance Management System" in the website.

## Message from Executive officer of the Baripada Municipality:

Shri Subashis Mansingh, O.A.S (SB)

Executive Officer

I am glad to note that our municipality is sincerely providing services to improvement of all civic activities. Since the Municipality has been included under Amrut Yojana, both our responsibility and accountability has been enhanced accordingly. To provide a house to the houseless under PMAY Scheme, skill training to the unemployment urban youth, standard infrastructure and better hygiene is our top priority. The entire staff under leadership of the chairman and co-operative councillors are trying to provide best services in the interest of the inhabitants of this Municipality.

## Grievance Redressal

Baripada Municipality has introduced **Citizen Complains Services system** for receiving & Compliance Public Grievance.

The Grievances shall be forwarded to the concerned Department/Section of the respective ULB depending on the nature of Grievance for further action. The Corresponding sections staff will attend the complaints in given time period and send a reply back to the Citizen Complains Services system in our Baripada Municipality Website [www.baripadamunicipality.in](http://www.baripadamunicipality.in). The reply sent from the corresponding department/Section to the Integrated Citizen helpdesk will be sent to the complainant. The complainant who uses internet can also check the status of his grievance through the web. This proposed system provides periodical reports on status-wise complaint list, department-wise pending complaints, etc. to the higher authorities for monitoring the efficiency and progress of grievance redressal.

## Environmental Protection

Baripada Municipality motto is to make the city sanitized, healthy and liveable and ensure sustain good public health with best environmental out comes . Keeping that in view the **Solid Waste Management** Proposal has been developed with the objective of proper and effective collection, segregation, transportation, processing and disposal of Municipal Solid Wastes.

Baripada Municipality Corporation has introduced door to door collection of garbage . Everyday Baripada Municipality collects and transport approximately 50 MT Solid Wastes from the city by its own Mechanisms at the Ragonathpur, Ward No-22 dumping yard. The slums are given a special attention by squad approach . Baripada Municipality has a proposal to establish a Solid Waste Management Plant in PPP mode for more scientific disposal and 100 % door to door coverage.
